FOR IMMEDIATE RELEASE

11th Annual Haz Mat Symposium on Saturday

(Sedgwick County, Kansas) – The 11th Annual Haz Mat Symposium will take place November 1 – 3 at the Sedgwick County Extension Center, 21st and Ridge Road.

The three-day Symposium is hosted by the Wichita/Sedgwick County Hazardous Waste Task Force and will feature a variety of trainings and speakers for approximately 350 attendees from across Kansas.

“We are very glad to host this training session for public safety employees and volunteers,” said Sedgwick County Commissioner Ben Sciortino. “Their dedication to saving and protecting the citizens in their communities is very admirable.”
